FYI

If you are entered in the Derby, your first dressage ride and your first cross-country round at the same level will count for the Derby results. You can enter one (1) level below as a schooling round. Example: You can enter a schooling round at Elementary and compete in the Derby at BN, but if you ride twice in the BN Dressage or X-C, your first ride will count for the Derby results.

Please note: No more than two rounds of cross-country per horse.

Dressage: The dressage will be outside in the upper arena. Please park in the upper pasture – follow signs past the hay shed and up the hill.

The new water jump will be part of the Derby courses.

Schooling Option: If you have a super green horse and want to ride with another person as in a pair pace to train your horse on the X-C, your round won't apply for the Derby and will only cost \$30 per horse plus the office fee. Any fences on the course may be taken or omitted and you will not be timed or scored.

JUMP FAULTS:

1st refusal on the same fence – 4 faults, 2nd – 8 faults, 3rd – Elimination, but can continue

3 refusals allowed on the entire course – 4th refusal – Elimination, but allowed to continue

Knock down a stadium jump rail – 4 faults

Rider falls off – Elimination. May not continue.

Take a warm-up jump the wrong way – 4 time faults will be added to score.

SCHOOLING:

Come school the X-C with an insured instructor (\$25 per horse) except the week preceding each Derby weather permitting. Have your instructor call 303-841-0313 or e-mail vandaw@comcast.net to make an appointment. If you don't have an instructor with insurance and want to come school, our trainer, Lynn Klisavage will work with you. We have lots of new fun jumps (more than 20 at each level E - T) including a water complex, ditches, banks and narrows. We now have many Prelim fences to school.
